### EXPERTISE

As Vice President of Brokerage at Ackerman & Co., Harris specializes in the acquisition and disposition of investment properties. He provides value through the transaction process with strong financial guidance as well as with equity and debt solutions. As an entrepreneur and property investor with more than 20 years of commercial real estate experience, Harris has a strong foundation in evaluating assets and markets. In his role as the Director of PropCo., Inc., a real estate investment group, he is responsible for acquisitions, asset management, debt placement, property management, syndications and landlord representation.
