EXPERTISE

As Vice President of Ackerman Medical since 2003, Kevin is responsible for the leasing of all medical office projects developed by Ackerman & Co. He brings more than 25 years of real estate experience to Ackerman, having spent the last twenty years specializing in healthcare related services.

Kevin began his real estate career in 1994 with Trammell Crow Company in Atlanta where he oversaw the management and leasing of 4 million square feet of office and industrial product serving almost exclusively Fortune 500 clients. In 2000, he shifted his focus to medical when he accepted a regional position with Medical Properties of America (a privately held REIT). In that role, he was responsible for the management and leasing of nearly 300,000 square feet of medical office space.
